Unofficial Guide to Obstetrics and Gynaecology: Core O&G Curriculum Covered. 300+ Multiple Choice Questions with Detailed Explanations and Key Subject Summaries (Paperback)

By -

Zeshan Qureshi, United Kingdom, 2018. Paperback. Condition: New. Language: English. Brand new Book. The Unofficial Guide to Obstetrics and Gynaecology is unique as a textbook that is written based on national and international guidelines. In a subject topic that includes a lot of "grey areas" this is of paramount importance for undergraduates and postgraduates who are studying and working on the wards. Knowledge is present is succinct topic summaries that are then tested and expanded upon in more than 300 multiple choice questions with fully explained answers. More than 100 colour images and illustrations and clinical cases bring the topics to life. The book has been written by junior doctors therefore the content is engaging and always understandable. The content has then been checked by senior clinicians ensuring that it is reliable and up-to-date.

Reviews

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
